Re: August 2023 Addendums

Date: August 8, 2023

---

The Commission on Accreditation in Practice Transition Programs (COA-PTP) has voted to clarify the below areas in the 2024 Practice Transitions Accreditation Program® Application Manual.

### **Addendum 1- Sites from Healthcare System**

Each site within a program must be from the same **healthcare system**.

#### **Definition - Healthcare System**

“A multi-hospital system is two or more hospitals owned, leased, sponsored, or contract managed by a central organization” (American Hospital Association, 2021).

### **Addendum 2 - Maximum size of a program**

The maximum size of an accreditable program to up to 30 sites.

### **Addendum 3 - New standard under Program Leadership**

**PL 8.** (*multisite program only*) Describe and demonstrate how the Program Director meets regularly with the system's highest-ranking nursing leader(s) (e.g., CNE, CNO, Nursing Leadership Council) to report on the program.

### **Addendum 4 - Site Coordinator definition revision**

- In a *multisite multi-practice setting program*, each site **must** have a Site Coordinator (SC). The Site Coordinator (SC) must have a direct or dotted line of authority to the Program Director.

- In a *multisite single practice setting program*, each site **may** utilize Site Coordinators (SC) to ensure program consistency.

SCs must maintain a current, valid license as an RN, hold a baccalaureate degree or higher in nursing, and have education and/or experience in adult learning principles.

#### **Addendum 5 – Practice Setting Coordinator definition revision**

- In a *multisite, multi-practice setting program*, each eligible practice setting **must** have a centralized person, called the Practice Setting Coordinator (PSC), coordinating the practice setting curriculums across all sites within the program. The Practice Setting Coordinator (PSC) must have a dotted or direct line of authority to the Program Director.
- In a single site multi-practice setting program, Practice Setting Coordinators (PSC) **may** be utilized to ensure program consistency

#### **Addendum 6 – Updated PL 1 – Quality Assurance**

PL 1. (*multi-site and multi-practice setting only*) Describe and demonstrate how the Program Director is accountable for ensuring that the program is consistently operationalized throughout all participating practice setting(s) and site(s) without deviation or variability\* through the **quality assurance process**.

*\*Site/practice setting variations in workflow, equipment, documentation, or local/state requirements are all allowed but must be documented during the **quality assurance process**.*

- **PL 1 Supporting Documentation a.** Submit evidence from each site that the quality assurance process has been conducted at a minimum annually within the program.

**Definition - Quality Assurance Process** – The Program Director ensures the program is effectively and consistently conducted at all sites. The Program Directors must meet regularly with all sites to review congruence with the standardized program.

The **Quality Assurance Process** must include a review of the following:

1. Curriculum review of each practice setting
  - a. \*Site/practice setting variations in workflow, equipment, documentation, or local/state requirements are all allowed but must be documented during the quality assurance process.

2. Competency evaluation requirement of each practice setting
3. Program orientation
4. Preceptor selection, education, and evaluation
5. Mentorship process
6. Monitoring plan for recognition of deviation (review of PG/OM 1 SD a. data at each site)
7. Process improvement plan for the deviation (if a deviation is found during the quality assurance process)

**Effective date:** January 1, 2024

Re: September 2023 Addendums

Date: September 11, 2023

---

The Commission on Accreditation in Practice Transition Programs (COA-PTP) has voted to clarify the below areas in the 2024 Practice Transitions Accreditation Program® Application Manual.

These addendums further clarify what was posted on August 8, 2023, by the COA-PTP.

### **Addendum 1- Glossary Term – Dotted Line of Authority**

An indirect or secondary reporting structure of a position(s) that defines accountability and responsibility for the program. However, the overall supervision, management, and evaluation of the position rests with the position's permanent, immediate supervisor, which is reflected by a direct line of authority.

### **Addendum 2 – Glossary Term – Direct Line of Authority**

A direct reporting structure of a position(s) that defines accountability and responsibility for the program, including the supervision, management, and evaluation of the position.

### **Addendum 3 - Site Coordinator (SC) Clarification**

- In a *multisite multi-practice setting program of 11 sites or larger*, each site **must** have a Site Coordinator. The Site Coordinator must have a direct or dotted line of authority to the Program Director. The Program Director **may not** be a Site Coordinator.
- In a *multisite multi-practice setting program of 2-10 sites*, each site **may** have a Site Coordinator. The Site Coordinator must have a direct or dotted line of authority to the Program Director. The Program Director **may** be a Site Coordinator.

- In a *multisite single practice setting program*, each site **may** utilize Site Coordinators to ensure program consistency. **The Program Director may be a Site Coordinator.**
- The Site Coordinator(s) must maintain a current, valid license as an RN, hold a baccalaureate degree or higher in nursing, and have education and/or experience in adult learning principles.

#### **Addendum 4 – Glossary Term – Site Coordinator (SC)**

*A registered nurse with a current, valid license as an RN, a baccalaureate degree or higher in nursing, and education or experience in adult learning who acts as the site representative for a multi-site program, and who has responsibility for ensuring that all components of the program are consistently operationalized within their assigned site. **The Site Coordinator can have a dual role as a Practice Setting Coordinator if they are an expert in that setting.***

#### **Addendum 5 – Glossary Term - Practice Setting Coordinator**

A registered nurse with a current, valid license as an RN, a baccalaureate degree or higher in nursing, and education or experience in adult learning who acts as the practice setting representative for either a single or multi-site program, and who has responsibility for ensuring that all components of the program are consistently operationalized within his or her assigned practice setting. **The individual must have expertise in the specialty they represent. The Practice Setting Coordinator can be the Program Director, but the practice setting they cover must be their area of expertise. The Practice Setting Coordinator may have a dual role as a Site Coordinator and Practice Setting Coordinator or Program Director and Practice Setting Coordinator.**
